Experience

- Target - Cashier   September 2016-February 2017
  - Learned customer service skills
  - Strengthened mathematical skills
  - Learned the value of common courtesy in aiding interaction, no matter the circumstances
- Home Depot – Plumbing Sales Assistant   June 2017-September 2017
  - Learned unconventional solutions to common problems
  - Reinforced customer service skills
  - Learned to fix things by testing different solutions, rather than just having it done for me
- Safeway - Bookkeeper   May 2015-November 2015
  - Learned accounting practices
  - Had to learn about using older systems
  - Learned economic strategy, along with knowing when losses will translate into greater success after time
- Comfort Dental - Receptionist   November 2015- March 2016
  - Learned more specifically how deal with customers/clients when in an unfavorable situation
  - Learned record keeping, as well as organization
  - Learned business strategy, as well as teaching the value of checking, and rechecking your work
- Volunteered at veteran's hospital   November 2016- December 2016
  - Learned compassion, and the value of helping those who cannot help themselves
  - Found the value of volunteering, in that though you may not get paid, the work you do is still important
  - Reinforced dealing with customers/clients/patients when they're not particularly easy to work with

Education

- High School – Littleton, Colorado September 2006 – Jun 2017
- Earned GED from Arapahoe Community College on September 27th 2013
